MARTIN BERBER PROFESSIONAL RESUME

REGISTRATION:

Civil Engineer, California (License. No. 87501)

EDUCATION:

B.S. Civil Engineering – University of the California, Davis – 2014

EXPERIENCE:

Martin Berber is a registered civil engineer with over 3 years of experience in the design of embankment dams and levee improvements and habitat restoration projects. Mr. Berber also has experience in water resources engineering including hydrologic analyses for water availability analyses, water diversion projects and water right applications.

RECENT EXPERIENCE INCLUDES THE FOLLOWING:

- ***Reclamation District No. 341, Sherman Island, Sacramento County – Flood System Repair Project:*** Design and project engineer for the rehabilitation of eroded levee waterside slope along Horseshoe Bend of the Sacramento River. Project includes habitat enhancement in addition to levee rehabilitation.
- ***Brassfield Estate, Lake County – Bickford Reservoir:*** Design engineer for a 100 acre-foot, synthetic lined, water storage reservoir, including spillway, outlet and groundwater drainage facilities.
- ***Byron Bethany Irrigation District, San Joaquin County – Water Availability Analyses for the Sacramento – San Joaquin Delta Watershed:*** Support engineer for analysis of the supply in the State Water Resources Control Board, Division of Water Rights' 2015 Water Availability Analyses.
