PROFESSIONAL RESUME

EDUCATION:

B.S. Strategic Management - California State University, Sacramento

EXPERIENCE:

Wagner & Bonsignore, Consulting Civil Engineers, A Corporation - Sacramento, California
Water Rights Specialist – March 1999 to Present

- Preparation of applications, petitions and supporting documentation to the State Water Resources Control Board for appropriation of water and/or changes to existing appropriative water rights pursuant to the California Code of Regulations, Title 23, Waters, and analysis of riparian rights.
- Interface with various public agencies including the Department of Fish and Game, Regional Water Quality Control Board, National Marine Fisheries Services, and County departments in connection with environmental review and water right processing. Coordinate sub-consultants for the preparation of environmental documents for compliance with the California Environmental Quality Act and Federal Endangered Species Act.
- Data collection and field inspection for water right application and petitions; inspections for permit and license term compliance; data collection and analysis of water use data for water supply and water availability studies.
- Research and documentation in support of analyses for riparian and pre-1914 appropriative water right determinations.

Mojave Water Agency – Apple Valley, California
Water Resources Technician – July 1996 to April 1999

- Maintenance and organization of water use database for Mojave River Adjudication parties
- Field work involving mapping of water diversion facilities and determination of water use data.
- Review aerial photographs and field collected data to verify water use.

COMPUTER SKILLS:

Experienced with Microsoft Word, Excel, Windows, PowerPoint, Access, Photoshop, AutoCAD, Adobe Acrobat
